

# Blackbilly

**Blackbilly** wine is produced using the famous vineyards of McLaren Vale and the Adelaide Zone known for wines of richness and diversity. Using modern and traditional winemaking techniques we craft wines of exceptional value and flavour for drinking and enjoyment.

This vintage of **Blackbilly** Sauvignon blanc is sourced from a premium vineyard in the cooler parts of the Adelaide Hills, on the ranges overlooking our home. Distinctive in varietal aromatics and flavours this is truly an exciting wine style typical of the variety.

Simple, minimalist winemaking techniques are used with emphasis given to preservation of fruit and varietal character. We have bottled it under a screw cap seal to maximise freshness. It is intended to be drunk as a young wine, served chilled with seafood & white meats or as an aperitif.

- Foods:** Good aperitif drink or try with lightly spicy Thai inspired cuisine.
- Technical:** Bottled November, 2018 under screw cap. Alcohol 12.5%, pH 3.1, TA 6.08, RS 2.2
