

Blackbilly

Blackbilly wine is produced using the famous vineyards of the Adelaide Zone known for wines of richness and diversity. Using modern and traditional winemaking techniques we craft wines of exceptional value and flavour for drinking and enjoyment.

This vintage of Blackbilly Chardonnay sourced from a single vineyard in the Adelaide zone, specifically the maritime Currency Creek vineyard. Distinctive in varietal aromatics and flavours with complexity generated from winemaking techniques – including use of old French oak hogsheads with vineyard yeasts, high solids, 100% malolactic fermentation influence and lees stirred for 10 months.

Simple, yet complex winemaking techniques are used with emphasis given to preservation of fruit and varietal character. We have bottled it under a screw cap seal to maximise freshness as the wine develops some complexity. Whilst it is intended to be drunk as a younger wine, cellaring will develop some interesting characters including Crème Brule and nuttiness. Served chilled but not cold.

Tasting Note at March 2019

- Colour: Medium straw with a slight green hues
- Nose: White peach, lemon curd with a waxy macadamia nut note. Light buttery complexity and some funky aromatics from the winemaking techniques. Should develop a flinty note with cellaring.
- Palate: Clean, crisp acid with stone fruit and lemon zest/pith/curd. Some light phenolic lift from the oak adds interest and appeal. Needs a little time to meld together.
- Potential: Drink now but short term cellaring (to 5 years) will add further complexity and varietal definition.
- Foods: Blue Swimmer crab linguine.
- Technical: Bottled February, 2019 under screw cap, Alcohol 12.5%, pH 3.05, TA 6.45
- Vintage: 2018 whilst a warmer vintage it still displays the cooler maritime influence.
