

## **Your Help Needed!**

We are planning to have a Vertical Tasting of as many Vintages as we can find from 1984 through to the latest 2017 wine, current count is 18 wines!

## **Here's where we need your help. We have some missing vintages from our Cellar.**

We'll make it worth your while to search your cellar for those maybe forgotten bottles squirrelled away. If you have at least one and up to 6 bottles of these years we would like to acquire them from you.

To make it worth your while we'll do the following for you.

- Recompense you for the wines coming to us by replacing them bottle for bottle with the museum 2011/2012/2014 vintage choice or a swap for any of our wines with a freebie or two
- Paying for the freight both ways as well which we would discuss with you
- Additionally you'll get an invitation to attend with our compliments, the Vertical Tasting Event then lunch to be held in McLaren Vale at a date to be set, probably around the 2020 vintage time.
- And you'll go into the draw to receive with our compliments a 3 litre double magnum of the 2017 McLaren Vale Futures Shiraz.

All that, and you just have to search your cellar or perhaps ask your friends if they have one of these Vintages:

**1984, 1985, 1986, 1987, 1988, 1990,  
1991, 1994, 1995, 1996, 1997, 1998**
