

Originally founded in 1990 and now part of Nick Haselgrove Wine's stable, Clarence Hill today is known for making wines style from our family of growers.

Our grapes are sourced from our vineyards in the Adelaide wine region specifically McLaren Vale.

A mixture of vinification techniques, touched by tradition, are used to capture each vineyard's character.

The wine is matured separately in oak vats and tanks with a significant portion in small seasoned barrels before blending. A regionally complex blend of Grenache (57%), Shiraz, (38%) and Mataro (5%) represents McLaren Vale.

The aim is to produce a complex blend with fruit, structure and seasoned oak characters that produces a flavoursome wine with medium term cellar potential
