

# Blackbilly

**Blackbilly** wine is produced using the using modern winemaking and traditional winemaking techniques allowing us to craft wines of value and flavour for drinking and enjoyment.

Pinot Gris (synonym: Pinot Grigio) is an emerging variety in Australia but is famous in other regions of the world (France & Italy). This variety's name comes from the fact that the grapes berries have a 'grey/pink' colour to them which allows a range of styles to be produced from dry crisp whites to full, rich textured styles.

This vintage of **Blackbilly** Pinot Gris is made in a crisp, slightly off dry style that is varietal but with texture that develops with a little bottle age.

It is intended to be drunk as a young wine, served chilled with seafood or as an aperitif. A versatile style.
